

Registration for 7th – 10th Grade Students for 2010-2011 Youth Forums

Please circle your choice, sign on the bottom, and return to the church office or Brett. Registration opportunities will be done on a first in first served basis, so to be sure to get the section you want, register early!

Students will have the opportunity to choose on of the following options to participate in during the Sunday morning Education Hour (9:40 – 10:40) for the 2010 2011 school year.

- 1.) **A Youth Forum option that would involve:**
This is the closest to what Sunday School looked like this year,
 - The study other religions/faith traditions and on occasion visit other churches / temples / mosques / etc.
 - Discussions about current newsworthy topics: Hunger / Sex / Drugs / Rock and Roll / Teen Pregnancy / Rights / World Events / etc.
 - Service Learning
 - Guest Speakers
 - All focusing on making scripture relevant to our youth in 2009
 - Finally food was of high priority to the youth, so we will organize a schedule of who will bring treats each time!

- 2.) **Hands on Ministry (Drama) Study scripture, and then prepare for worship a Clown Service / Puppet Show / Skit / Drama / Message / Art / Visual / etc. Students would study scripture, and then creatively figure out how to interpret that scripture for the congregation in a hands on production.**

- 3.) **Allow 9th and 10th graders the opportunity to intentionally be trained as Sunday School Teachers: they would begin by learning teaching techniques, and then shadow an adult Sunday School Teacher. Throughout the year they would begin leading parts of a Sunday School Class, and eventually end up teaching lessons by April of next year. This would be ideal for 9th and 10th graders who love to work with younger youth, or see teaching or mentoring in their future.**

If you were a part of this last year, and want to lead or co-lead a class this year – you can. Please talk to Brett about what this if you are interested. Thanks!

We are looking for adults to take leadership roles in the teaching of each of these sections! If any of these sound like something that you have an affinity toward, please let Brett or our Sunday School Coordinators know! We are looking for several people for each section, so please understand that you would not necessarily have to be here every Sunday!
